

PRAYERS FOR HEALTH SERVICE, CARING PROFESSIONS & VACCINATION PROGRAMME.

"The Lord is my strength and shield, in Him my heart trusts." Psalm 28:7

Pause & Pray

Dear God
We give you this
day with all its
unknowns.
Help us to find
space today to see
beyond the
challenges.
Help us to find
rest in the turmoil.
Help us to stay
focused in the
midst of this
pandemic.

Amen.

Take a moment and pause. Then pray by name for your local hospital, care homes, and medical centres.

Gracious God, give skill, sympathy and resilience to all who are working within our health service. Strengthen them when the pressure is intense and through their work we pray that many people will be restored to health; through Jesus Christ our Lord. Amen.

Lord God, we thank you for our healthcare systems and those who work in them. We pray for healthcare workers known to us that through their love and compassion, those who are vulnerable might come to know healing in their lives. We pray for those who have to make difficult decisions about resources or treatments that they will do so with care and integrity. We pray this in Jesus' name. Amen.

Lord God, today we pray for the health workers who are caring for those with COVID-19. We pray for their protection, for stamina during prolonged and intense working hours. We pray also for safe protocols to be observed in order to keep them protected. Amen.

Dear God, we lift before you all our medical staff, carers, community workers and those providing essential services. We thank you for their commitment and dedication. We pray that your outstretched arms will embrace their helping hands on the frontline of this pandemic. Comfort and uphold them as they deal with traumatic situations and give them strength and tenacity in their tiredness. Protect them from infection and guard their families. In Jesus name we pray. Amen.

Gracious God, we thank you for all those who have dedicated their lives to serving our community, for health workers, doctors, nurses, paramedics, and especially those who work in laboratories developing vaccines for the Coronavirus. Give them wisdom, skill and patience in their work. As the rollout of the vaccine gathers pace we pray for those who are training healthcare workers and social care staff, the admin teams and for those responsible for logistics.

Lord in your mercy - hear our prayer.
